

§ 205.205

must be filed somewhere pursuant to State law as discussed above.

(b) Countermeasures against falsifications, errors or omissions in such notices or in the handling of them by the system operator, such as requirements that the notices be on paper and signed, with copies date-stamped and returned to the persons filing them, however advisable they might be from other standpoints, are discretionary with the State and not required by the Section.

§ 205.205 Fees.

The Section provides at subsection (c)(4)(H) for a fee for filing an EFS. The fee can be set in any manner provided by the law of the State in which such EFS is filed. The basis for this is that (c)(4)(H) provides for the fee to be set by the "Secretary of State" but (c)(11) defines the latter term to include "designee of the State." The fee structure is discretionary with the State.
